

## Performance Series HQA DVRs

www.honeywellvideo.com

#### 720P/1080P DVRS

Supercharge your Analogue security system with Honeywell's HQA (High Quality Analog) technology for High Definition 720p/1080p images over your existing coax infrastructure. The Performance Series HQA 720p/1080p DVRs are the economic alternative for achieving HD video surveillance while retaining your existing BNC cables and cameras.

#### Fully-featured DVRs

- High decoding capability for full HD viewing and recording.
- View up to 16 channels simultaneously on your monitor with 1080p full-frame rate preview.
- Up to 16 channels of alarm input (depending on model) and 2 channels of alarm relay output.
- HRHH204/HRHH208 DVRs: Record all channels @ 1080p full frame rate.
- HRHM104/HRHH108/HRHH116 DVRs: Record all channels @ either 720p full frame rate or 1080p half frame rate.
- H.264 dual-stream video compression.
- Each channel supports HQA/Analog Video input. (HRHM104 supports HQA cameras only).
- Simultaneous HDMI/VGA video output.
- Hybrid models support both Standard Definition (SD) and High Quality Analog (HQA).

#### Easy to Use

- The Quick wizard and plug-and-play (similar to traditional DVRs and analog cameras) make setup fast and easy.
- Physical installation within minutes with the help of a comprehensive and easy-to-understand quick installation guide.

#### Convenient, Flexible Storage Options

- Internal storage supports two HDDs, up to 8 TB total (4 TB each). (Please note, the HRHM1041 DVR only supports a single HDD, up to 4 TB total).
- Store videos and snapshots to external storage, such as the client's PC, through the Internet
- Store videos and snapshots to an external network storage server such as an FTP site.
- Store videos and snapshots to a USB memory device.

#### Dynamic, Accessible Monitoring

- Monitor from anywhere using the mobile apps for Apple, Android, and Windows smartphones, Apple and Android tablet computers, and laptops.
- Network monitoring, including the transmission of some alarm information through SNMP.
- All channels support synchronous playback and smart search (search for video that was recorded because motion was detected in a selected area).

#### Privacy Masking

Conceal up to 4 areas of a scene from viewing and recording.

#### Safety Features

- Configurable motion detection and camera tamper detection settings, including configurable alarm alerts, such as automatic emails (with attached video or snapshot) and automatic alerts (such as buzzers or flashing lights).
- Remote configuration and firmware updating through Honeywell Viewer web client and the Honeywell Config tool. Password-protected access to the camera's and DVR's video and network setup.
- Bidirectional communication for the DVR.

#### **Market Opportunities**

The Performance Series HQA 720p/1080p DVRs' HQA technology makes these DVRs perfect for installations where you want HD-quality video while still using your existing coax infrastructure. These HQA DVRs also deliver higher quality video than current 960H analog systems, but at a similar cost.

#### **Immediately Detect and Respond to Events**

The Performance Series HQA 720p/1080p DVRs can be configured to automatically detect and respond to events such as motion in the scene, alarm inputs, a network failure and/or tampering. Automated responses include:

- Sending a notification through email, FTP and/or HTTP.
- Uploading still images at the time of the event through email and/or FTP.
- Recording a video clip of the event so it is available to distribute to authorities.
- Enabling a visual or auditory notification (a flashing light, bell or siren).

## Recommended Accessories - Honeywell Performance Series HQA Cameras

HD29HD1	TDN Indoor IR Ball Camera, 1/2.9" 1 MP CMOS, 720p, 30 fps (25 fps), 3.6 mm Fixed Lens, 12 IR LEDs, 12 V DC, NTSC (PAL)	
HD30HD1	TDN Indoor/Outdoor IR Ball Camera, 1/2.9" 1 MP CMOS, 720p, 30 fps (25 fps), 3.6 mm Fixed Lens, 12 IR LEDs, 12 V DC, NTSC (PAL)	
HB74HD1	TDN Indoor/Outdoor IR Bullet Camera, 1/2.9" 1 MP CMOS, 720p, 30 fps (25 fps), 3.6mm Fixed Lens, 12 V DC, NTSC (PAL)	
HD73HD1	TDN Indoor/Outdoor IR Mini Dome Camera, 1/2.9" 1 MP CMOS, 720p, 30 fps (25 fps), 2.7–12 mm VFMI Lens, 2 IR LEDs, 12 V DC, NTSC (PAL)	
HB75HD1	TDN Indoor/Outdoor IR Bullet Camera, 1/2.9"1 MP CMOS, 720p, 30 fps (25 fps), 2.7-12mm VFMI Lens, 12 V DC, NTSC (PAL)	
HD30HD2	TDN Indoor/Outdoor IR Ball Camera, 1/2.8" 2.4 MP CMOS, 1080p, 30 fps (25 fps), 3.6 mm Fixed Lens, 12 IR LEDs, 12 V DC, NTSC (PAL)	
HB74HD2	TDN Indoor/Outdoor IR Bullet Camera, 1/3" 2 MP CMOS, 1080p, 30 fps (25 fps), 3.6 mm Fixed Lens, 24 IR LEDs, 12 V DC, NTSC (PAL)	
HD73HD2	TDN Indoor/Outdoor IR Mini Dome Camera, 1/2.8" 2.4 MP CMOS, 1080p, 30 fps (25 fps), 2.7–12 mm VFMI Lens, 2 IR LEDs, 12 V DC, NTSC (PAL)	
HB75HD2	TDN Indoor/Outdoor IR Bullet Camera, 1/2.8" 2.4 MP CMOS, 1080p, 30 fps (25 fps), 2.7–12 mm VFMI Lens, 24 IR LEDs, 12 V DC, NTSC (PAL)	

**NOTE:** Honeywell reserves the right, without notification, to make changes in product design or specifications. Honeywell's HQA system is compatible with 3rd party standard HDCVI product.
